## GOLFING LADIES' SUBSCRIPTIONS SOME WON'T LESS THAN HALF PAY THE VOLUNTARY FEE TO-DAY'S MEETING

Presided over by Mrs. F. A. Redmond (Captain) the Ladies' Section of the Royal Hong Kong Golf Club held their annual meeting at the Helena May Institute this morning. Supporting Mrs. Redmond were the members of the Committee, and there was a good attendance of members. It was mentioned by Mrs. Redmond, in the course of her remarks, that less than half of the members had paid their subscriptions last year.

In her speech, proposing the adoption of the report and statement of accounts, Mrs. Redmond said:—  
This year for the first time the report and statement of accounts have been printed. There is one addition to be made to the list of Competitions, namely, a Bogey Competition for prize presented by Mrs. Fleming, won by Mrs. Weight. The Report I shall take as having been read and I think we may congratulate ourselves on having had a most successful season. We have had more competitions than usual and we feel extremely grateful to all the donors of the beautiful prizes we have had the pleasure of playing for and again we offer them our sincere thanks; and at the same time we heartily congratulate all the prize winners. We are proud of Mrs. Tottenham, the holder of our championship for 1928—she is a very good all round sportswoman and also holds the ladies' tennis championship of the Colony—it is 10 years, I believe, since anyone has had the proud distinction of holding both championship titles.

The best score for 1927 over the New Course was 79 returned by Mrs. D. S. Lambert—we are sorry to lose this fine player. We also deeply regret the departure of Mrs. Crawford who had been associated with the Ladies' Section from its earliest days and has been our Captain three times. She also did a great deal of work for the Club when she was Hon. Secretary. I am sure you will all join me in wishing her many happy years of golf at home.

The Men Thanked  
Again we are most grateful to the Men's Committee for all they have done for us in the past year. At Fanning they have carried out long needed improvements in the second dressing room and have provided showers which are a great help on crowded days. At Deep Water Bay they not only gave us permission to make the room upstairs more comfortable and attractive but they kindly gave us a generous grant from the Club Funds for which we were most grateful. I am sure you will agree that the room is greatly improved. We are having some more comfortable chairs made and hope the room will be finished by the end of the month.

In connection with the furnishing of this room we are deeply indebted to Mesdames Dunbar, Dunnett, Cassidy, Crapnell, Lewis, Maitland, Parker, Percy, Potter, Rowley and Stewart for their very kind donations and gifts and also Mrs. Greasy and Mrs. Ferguson for the prizes they kindly gave for golf and the bridge drive. We also own our sincerest thanks to our Deep Water Bay sub-committee, Mrs. Ferguson and Mrs. Leggett, for all the trouble they have taken in connection with the furnishing of this room.

Subscriptions Wanted  
You will have noticed that the accounts show a credit balance of \$72.16—this is not as nice as it looks for I am sorry to say that since the books are balanced we have incurred expenditure amounting to over \$100 which means we shall start the new year with a deficit of some thirty odd dollars. Our Hon. Treasurer is to be congratulated on collecting so many subscriptions—44 more than last year. We have roughly 470 members of the Ladies' Section—a great many of these are, of course, absent from the Colony—but it does seem strange that less than half the lady members should subscribe. This is a voluntary subscription but I do think members should make it a point every year to send what is after all only a trifling sum of the Hon. Treasurer. I should like now to express my very sincere personal thanks to the members of the Committee for all the hard work they have done during the year. They have given their

## JAPANESE NAVAL DISASTER 4 MEN MISSING TORPEDO BOAT SINKS IN FULL- SPEED COLLISION SEVERAL PICKED UP

Shanghai, Yesterday.  
A telegram from Tokyo states that according to a Navy Office announcement a torpedo boat while practising torpedo discharge off the coast of Northern Japan yesterday at noon collided with the destroyer "Isosami," which likewise was proceeding at full speed. The torpedo boat immediately sank.

Four are missing, though the remainder were picked up. The destroyer, which was only slightly damaged, searched till midnight but there was no trace of the missing.—Reuter.

## U.S. PRESIDENCY GOVERNOR SMITH AND THE COOLIDGE ADMINISTRATION RELIGIOUS ISSUE

New York, Yesterday.  
Governor Smith, in his final campaign address in the middle west, accused the present administration of a "reaction to Bourbonism." He charged the Republicans with a lack of policy on many important problems, including "corruption attending the enforcement of prohibition."

Mr. Hoover will deliver an important speech at his rivals' chief stronghold on October 22. The religious issue continues to be a prominent matter of controversy owing to the Southern Methodist Bishop, Dr. Cannon, accusing the Roman Catholic Church of intensive propaganda for Smith through the Catholic newspapers. This body has replied denying that the tenor of the articles has been so influenced.—Reuter's American Service.

services so cheerfully that it has been a real pleasure to work with them. Needless to say the Hon. Secretary has had the biggest share of work to do and I should feel unhappy if I did not thank Mrs. Cassidy specially for carrying out her onerous duties so thoroughly and so willingly.  
After Mrs. Redmond's proposal had been seconded, the report and accounts were unanimously passed. The following office bearers were elected for the ensuing year:—Mrs. Ferguson (Captain), and the following members of the Committee:—Mesdames Gilmore, Maitland, Piercy, Rowley, Sheldon and Somerville.

The Subscription  
A proposal was carried to raise the subscription from \$1 to \$3. It was explained that with a subscription of \$1 it was difficult to make both ends meet. They were constantly incurring small expenses which must be paid, and they found that after this had been done, there was nothing left for anything else. For example, there was the Deep Water Bay scheme this year, the expenses of which were met by the Men's Committee. Then there were numerous small comforts which they were unable to get because of the lack of funds. Besides, they would like to give prizes to the runners-up in the various competitions, and this they could not do with the funds collected from the subscription of \$1.

Another consideration in favour of the raising of the subscription was the entertaining of visiting golf teams—Shanghai would send one here this year—for which purpose they had no money. When the Manila team came to Hong Kong recently, the Ladies' Section were asked to entertain the visitors' wives and the expenses had to be paid by the Men's Committee.  
A proposal to raise the subscription to \$5 was not approved and eventually the original proposal was put to the meeting and carried.

## DOG RACING FAILS IN GERMANY GIVEN AWAY ORGANISERS OMIT TO GET A TOTALISATOR CONCESSION PUBLIC CAN'T BET

Berlin, Yesterday.  
Dog racing, which started with two tracks in Berlin in the spring, has been a complete failure chiefly owing to the organisers omitting to obtain a concession to have the public unable to bet. The company which started dog racing here has ceased to operate and its 120 valuable greyhounds, which were imported from England have been away given to farmers.—Reuter.

## MISSING YET NO NEWS YET OF MACDONALD WIRELESS MESSAGE

London, Yesterday.  
There is still no news of MacDonald, but several passengers and members of the crew of the liner s.s. "Montclare" saw a strange light in the sky at 6.15 on Thursday evening, when the s.s. "Montclare" was 150 miles west of Tory Island off Donegal. The light dropped from the sky with a streaming tail. Despite persistent queries from her baby son about his father's absence, Lt.-Comdr. MacDonald's wife is showing remarkable fortitude. She is the sister of two famous racehorse trainers, S. H. Darling of Newmarket and Fred Darling of Beckenham.

A British official wireless message, dated London yesterday, states:—  
A wireless message from a ship in the western Atlantic brought news last night that may be connected with the missing British airman, Lieutenant-Commander MacDonald, who left Harbour Grace, Newfoundland, on Wednesday in an attempt to fly the Atlantic in a small Moth aeroplane.

Lloyd's message from the Portishead wireless station states that the following message was received at 6.55 yesterday morning from the steamer "Mirach":—"Mirach" sighted October 17 at 11.30 p.m. in 53 degrees 3 feet north and 43 degrees 42 feet west in bearing 130 degrees true at a big distance lights most probably resembling an explosion."

The position indicated in the message is about 500 miles east of MacDonald's starting point, and he would have been in that area at 11.30 on Wednesday evening, six and a half hours after he left Newfoundland. There could have been no explosion in his aeroplane then, however, as he was seen at 12.30 on Thursday morning, an hour later, by the Dutch steamer "Hardenberg."  
It is suggested that he had already found himself in difficulties and was throwing out very lights as signals of distress. Such lights dropped from a height would be visible at a great distance. The mysterious point of this actually happened, is that he should have been flying an hour later when apparently all was well.

## WORLD'S CAPITALS CHINA'S MINISTERS MAY BE AMBASSADORS

Nanking, Yesterday.  
It is reported that China's representatives in America, Britain, Japan, and at the capitals of other Powers, may be promoted Ambassadors.

The former policy of sending experienced diplomats abroad has obviously been abandoned. It is evident that only recognised leaders of the Kuomintang and the Government will be sent to the foreign capitals.—Reuter.

## TOO MANY TROOPS PEKING, Yesterday.

The Hopei (provincial) Government, after enquiring from the magistrates of the province, states that the number of troops in Hopei is 500,000 and urges the National Government to withdraw most of them as it is very difficult to keep them supplied, in view of the impoverishment of the province, owing to the removal of the capital and many years of war.—Reuter.

## ATTEMPT TO CROSS PACIFIC DARING JOURNEY VON HUENEFELD HOPES TO REACH SEATTLE VIA THE ALEUTIANS

Shanghai, Yesterday.  
A telegram from Tokyo says that Von Huenefeld is preparing for a flight across the Pacific to Seattle via the Aleutian Islands. The "Europa" is being repaired and Huenefeld is expected to hop off on October 28 or 29.—Reuter.

## HORRIBLE DEATH TERRIBLE FALL FROM 13 STOREYS MILLIONAIRE'S GRANDSONS

New York, Yesterday.  
Benny and Terence Waldman, two grandsons of the millionaire Benjamin Guggenheim who went down in the s.s. "Titanic" in April, 1912, met a terrible death by falling down thirteen storeys of a skyscraper.

The children were on the roof of the Hotel Surrey looking down on to the city and their mother lifted the younger boy on to the low parapet. The other boy tugged her arms to be lifted up too with the result that both toppled over. The mother fainted.—Reuter's American Service.

## GEARY INJURED Test Bowler's Nose Broken

London, Yesterday.  
In the closing minutes yesterday of the match between the English team and Western Australia, Geary, the English bowler, was struck by a rising ball from Halcombe which broke his nose. It is expected, however, that Geary will be able to take his place in Test matches.—British Wireless Service.

## GREAT INVENTOR TRIBUTE TO EDISON ON NOTABLE ANNIVERSARY INCANDESCENT LAMP

Washington, Yesterday.  
President Coolidge joined in the national tribute which was broadcast on the occasion of the 45th anniversary of Edison's invention of the incandescent electric lamp. Mr. A. Mellon, U.S. Secretary to the Treasury, presented Edison with the Congressional medal struck in his honour.

The original electric lamp is now in South Kensington Museum.—Reuter's American Service.

## AUSTRALIA'S CRISIS MORE STEVEDORES APPLYING FOR LICENCES THE VOLUNTEERS

Melbourne, Yesterday.  
Fifteen hundred Port Phillip Stevedores have applied for licences.

The shipowners have arranged to employ volunteers at Port Melbourne and at Victoria dock, but elsewhere the vessels will be handled by unionists, thus avoiding possible difficulties owing to volunteers and unionists working together.—Reuter.

## COLLISION ONE OF THE NEW BUSES DAMAGED

A private motor car and a bus belonging to the Hong Kong Hotel collided yesterday at Happy Valley. Fortunately, no one was injured. It appears that one of the buses recently put on the Causeway Bay—West Point route was rounding the monument shortly after 2 p.m. when a private motor car, which was being driven from the direction of the Cemetery, collided with the front part of public vehicle. The axle of the private car was bent while the windscreen and right side of the bus were damaged.

## TO-DAY'S DOLLAR

The closing rate of the dollar on demand, to-day was 2/0 8/16.

## TENNIS HOLD-UP IN FRANCE OFFICIAL THREAT STRONG PROTESTS AGAINST ENTERTAINMENT TAX PERHAPS NO MATCHES

Paris, Yesterday.  
A serious setback to French tennis is predicted to follow the action of the Treasury in deciding, in face of considerable sporting opposition, to levy a heavy entertainment tax on the receipts of national and international tennis tournaments. The big winter tournaments are expected to disappear from the programme and the Lawn Tennis Federation has not only prohibited all inter-club tournaments but has decided to relinquish the right to hold the Davis Cup final in France and seek a venue abroad, probably Brussels.

Federation's Decision  
Later.  
The French Lawn Tennis Federation in a Communique regarding its protest against the Entertainment Tax, says that all open tennis tournaments will be cancelled for the winter 1928-29. The covered courts championship of France alone will be played but the public will not be admitted. If the present situation is not modified by March 1, 1929 all the spring, summer and autumn tournaments will be cancelled and steps will be taken to approach the foreign nations with a view to the Davis Cup matches, at present playable in France, being played in one of their countries.

Hope of Compromise  
The recent failure of the leading Paris lawn tennis clubs' legal action against the payment of the Entertainment Tax seems to have decided the Lawn Tennis Federation to take action, but there is plenty of time for matters to be arranged before the Davis Cup contest and a different interpretation of the law would doubtless result in the staging of the final rounds in France. All hope has evidently not been abandoned as the wooden stands in the Stade Roland Garros are being replaced by a cement erection.—Reuter.

## COAL MINING WHAT BRITISH AND FRENCH GOVERNMENTS ARE DOING CO-OPERATION

London, Yesterday.  
The British Government recently made proposals to the French Government for a scheme of co-operation between official organisations in the two countries which are engaged in research work directed towards securing greater safety in coal mining. These proposals have been cordially accepted and the scheme is now to be put in operation. On the British side technical arrangements will be in the hands of safety in the Mines Research Board. They will include a full interchange of information acquired by accident, prevention, research and experience in the two countries including unpublished as well as published reports.

The respective research organisations will mutually agree as to which problems each could best study alone and which could more effectively be studied jointly. By this means it should be possible to save money and expedite the work. There will probably be also an occasional interchange of skilled research workers for work requiring special experience.—British Wireless Service.

## TRUST FUND 60 INTERNATIONAL LAW SCHOLARSHIPS \$500,000 DONATED

New York, Yesterday.  
A trust fund of \$500,000 to permit foreigners to study international law at Harvard University has been established by Mr. Chester Dewitt Fugleby and provides 60 scholarships, one for each nation of the world and the British Dominions along the lines of the Rhodes Scholarships.

The beneficiaries will be appointed by the Foreign Minister and in the Dominions by the Prime Minister.—Reuter's American Service.

## THE NATIONALISTS AND U.S.A. RECONSTRUCTION HENRY FORD AND OTHERS INTERESTED MENTION OF A LOAN

New York, Yesterday.  
Mr. Henry Ford is likely to take the field in international finance, as he with four other prominent American financiers and economists are to be officially invited by the Nanking Nationalists to assist in their reconstruction schemes. Mr. Ford says that he has not yet received the invitation but will accept it if it appears all right. These invitations, coupled with the appointment of American engineers by the Nationalists, are believed in Wall-street to indicate that Nanking will shortly seek a loan in the American market.—Reuter's American Service.

## U.S. NAVY "DAY" STRONG APPEAL FOR ADE- QUATE STRENGTH THE 27TH INSTANT.

Washington, Yesterday.  
October 27 will be "Navy Day" in the United States, and regarding it Mr. Wilbur, Secretary of the Navy, is issuing an appeal for the maintenance of an adequate navy equal to that of any other power. "We are" (he says) "the largest importer in the world, the second largest exporter and our ocean going and coastwise trades are incomparably greater than anybody's. There is scarcely one American who would not be seriously embarrassed financially if our sea transportation were interrupted by a hostile fleet."—Reuter's American Service.

## CRASH ON LINKS WELL-KNOWN LADIES SERIOUSLY INJURED IN MOTH PLANE

London, Yesterday.  
The Hon. Mildred Katherine Leith, half-sister of Lord Brough and Miss Cecil O'Brien, eldest daughter of Sir Timothy O'Brien, were seriously injured yesterday when a D. H. Moth aeroplane, which Miss O'Brien was piloting, crashed on the golf links at Mill Hill. Miss O'Brien sustained a compound fracture of the leg and other injuries while Miss Leith was cut about the face and hands. The smash happened during the exhibition golf match between Tolley and Wethered and Mitchell and Whitcombe, held to celebrate the opening of the course. The women were taken to hospital and, later, it was found necessary to amputate one of Miss O'Brien's legs above the knee.—British Wireless Service.

## EXTRALITY CHINA PUTTING OUT A FEELER

Nanking, Yesterday.  
It appears that no special note has been sent by China to the Powers regarding relinquishment of extraterritoriality, but draft treaties have been sent to Belgium, Spain, Denmark and Portugal for their approval. These contain an article as follows:—  
"Any civil or criminal case arising within the territory of either party, wherein a national of the other party is concerned, shall be tried by the territorial courts in accordance with territorial law."  
Official circles state that an identical article is in the draft treaties scheduled to be sent to America, Britain, Italy and France.—Reuter.

## RUSSIAN WAIFS AUTHORITIES STOP MIGRATION

Riga, Yesterday.  
The Moscow authorities have decided to prevent the annual migration of waifs and strays towards the large towns which is now in full swing and guards have been placed at all railways and highways to seize children and send them to reformatories. A large number have already appeared in Moscow.—Reuter.

## LOCAL PROFESSORS AT LINGNAN NEW SCIENCE HALL OPENING OF WILLARD STRAIGHT FOUNDATION SOUND PROGRESS

Representatives of Hong Kong were among the distinguished gathering at Lingnan University (formerly Canton Christian College), at Honam, Canton, on Friday, for the formal opening of the Willard Straight Science Hall. Men and women from centres of learning throughout China and from Japan were present, as were members of the Kwangtung and Kwangsi Governments. The party from Hong Kong comprised Professor J. L. Shellshear and Mrs. Shellshear, Dr. C. M. Heanley, Professor C. A. Middleton Smith, Dr. M. O. Pfister and Mrs. Pfister, Professor C. Y. Wang, Dr. T. W. Ware and Mr. A. H. Crook. Donations by Mrs. Willard Straight and the China Medical Board of the Rockefeller Foundation have made the Hall possible. It took more than a year to build and cost about \$200,000, including equipment.

The Chief Address  
Dr. Y. G. Chen, President of Nanking University, spoke on "Science and Civilization." He said:—  
"Columbus discovered a new geographic world by the help of a mariner's compass.  
"Galileo discovered a new astronomical world by the use of a telescope.  
"Koch and Pasteur discovered a new biological world by means of a microscope.  
"Franklin, Oersted and Faraday discovered a new electrical and magnetic world.  
"Hooke and Huyghens discovered a new world of ether."  
Science, said Dr. Chen, is a question of methods. It is a tool, a means to an end. That was how new worlds were discovered. The development of military science was a development of methods and tools.

Professor Shellshear (Dean of the faculty of medicine, Hong Kong) gave an address in Swasey Hall in the morning. Papers were read in the class rooms. Among those taking part were Professor Middleton Smith, Professor Shellshear and Dr. S. Y. Wong of Hong Kong University, Mr. N. Glat Gee of the Peking Society of Natural History, Dr. K. C. Chen of Sun Yat Sen University, Canton, Dr. K. Kishinouye of the Imperial University of Tokyo.

About the Building  
Willard Straight Science Hall is 53 feet wide, 172 feet long, and has five floors. The exterior walls are of red brick. The floors and the pillars on either side of the central hall which (with the outside walls) carry the load of upper floors and roof are of reinforced concrete. This makes possible a very flexible arrangement of the interior, partition walls being easily changed as need arises for a different arrangement of rooms, without affecting the strength of the building. The roof is of double tile, with green glazed hip and ridge tiles, matching the other recent buildings on the Lingnan University campus. All outside outside windows and most of the interior doors are of steel. A large water tank (2,400 cubic feet) on the fourth floor supplies water for the building. A small supplementary tank under the ridge supplies water for the fourth floor. A lift with a capacity of 2,000 pounds will provide for the movement of boxes from the basement to the upper floors. A steam boiler in the basement will supply the steam for some of the laboratories, and a motor driven Benoit gas producer which operates on gasoline (petrol) and has a capacity of 250 Bunsen burners will provide the gas needed. The building is wired for 110 volts, A.C., but some laboratories will be wired in addition for 220 volts, A.C., and 110 volts d.c. from a motor generator in the building.

No equipment has been put in yet but the Hall will be for physics, chemistry and biology, with a spare (fourth) floor.  
An Impending List  
A general meeting was held on Friday in Swasey Hall. Mr. Wong Tait, Commissioner of Education, and Mr. Ma Chiu-tsun, Commissioner of Reconstruction, represented the Kwangtung Government. Mr. P. H. Louis was present on behalf of the Kwangsi Government. Institutions and societies formally represented were:—

### TWICE SAVED FROM BEING AN INVALID FOR LIFE AFTER THE DOCTORS HAD FAILED BOTH TIMES.

POO ON CHINESE HERBS CURED HIM PERMANENTLY.  
Doctors advised amputation of arms in 1917 to prevent death from blood poisoning and the second time cut out tonsils and extracted all teeth to cure rheumatism due as they thought to injuries. Man testifies that at both times Poo On Chinese Herbs were the only means of saving him from being an invalid for life, relieving him of terrible pain.

C. W. Owens, who now lives at 229

Leon-street, Modesto, California,

U.S.A., and who formerly lived at

551, Wolfe-avenue, Turlock, California,

said recently, "On March 20th, 1917,

I left Modesto for Tacoma, Wash-

ington, where I was engaged in a log-

ging camp as head loader. I worked

at this trade up to this year. It

was on January 1st, 1925, while work-

ing on a wharf, I got worse and

struck me. I fell and landed

on my right shoulder and leg.

My right side was badly injured and

later on the company's doctor exami-

ned me and ordered me to go to a

hospital. I was in the hospital three

months and during this time eight

physicians examined and treated me.

Each had a different opinion, but the

majority thought I was suffering from

rheumatism, due to my injury. Then

they decided I might get help from

druggists' treatments, but after taking

them for a while my condition

even worse instead of better.

The physicians then thought that I had

pyorrhea and catarrhal troubles and

advised that my tonsils and teeth be

all taken out and this was done ac-

cording to their advice. Then my

hands and joints all over my body

began to swell and I got worse and

worse. My wrists got as stiff as

boards. My head ached and I had

pains all the time all over my body.

My pains were so bad that I could

not sleep at night. My appetite was

absolutely no good and I could only

drink a little milk and take a little

light food. I could not lie on my

back or on my side. If I did my

breath would be cut short. At times

I could only lie on my left side for

10 or 15 minutes but this was the

longest as my pain aroused me. The

physicians at the hospital tried all

they could to relieve me, but they

could not cure me, but they said they had done

all they could, and that I could only

let nature have its own course, as

mine was an impossible case. It was

something unusual to them and they

exhausted their ability to bring me

satisfactory relief. They all told

me that my arms must be amputated

or I would die of blood poisoning.

After relatives and friends recom-

mended me to take the Poo On Chi-

nese Herbs I decided to try them. I

was then a complete nervous wreck

and a cripple and had painful suffer-

ings. After taking the herbs for

three weeks I went to work on my

uncle's ranch and could plough two

acres of land a day and chop wood.

I have been a well man and enjoyed

the best of health and had no ill-

ness of any kind until this last ac-

cident happened to me. On January

1st, 1925, I weighed 199 pounds and

when I left Tacoma I weighed only

127 pounds. When I arrived in

Modesto I was on two crutches. I

was unable to get into the house of

the Poo On Chinese Herbs Company,

without being helped. After three

weeks in the neighbourhood of two

weeks I threw away my crutches and

now I am able to walk naturally. My

wrists are free from all swelling and

stiffness and all pain has left me. I

sleep well every night and eat every-

thing I want. I go anywhere and

can walk one or two miles a day

without distress or difficulty. My

only complaint is that I cannot chew

because my teeth are all gone. I eat

things I am able to without my teeth

and everything digests fine. My case

seemed so impossible and so many

doctors had given me up. I certainly

feel that the Poo On Chinese

Herbs have done wonders for me. I

cannot say enough to praise them.

The following testimony was given  
by Mr. Owen in 1917 when he took  
the Poo On Chinese Herbs for the first  
time:

Mr. Owen said: "Last year, on  
September 20th, my arm was hurt  
from a fall. I then began to suffer  
great pain in my back and the bot-

tom of my left foot began to swell.

My arm grew smaller, from 12 1/2

inches to 5 1/2 inches, and my weight

fell from 185 pounds to 145 pounds

in three months. The pain was so

severe that I could not sleep at night;

sometimes only able to sleep five or

ten minutes at a time. I would have

to sit up or keep moving about to

feel easy and get relief, and could

only lay on my right side. My left

hand and arm were practically use-

less. My left foot was so bad that

I could just drag it around. I doc-

tored with six physicians spending

\$400. They told me much confidence

in hope for me to get well. I took

the medicine from them but it did me

no good. At last one doctor told me

my arm would have to be taken off or

I would never get any better, and

there might be a chance for my

trouble to grow out of itself. I did

not want to take the chance of los-

ing my arm and then not recovering.

### C.R.C. "AT HOME"

TENNIS CHAMPIONS' THIRD VICTORY

"A RECORD HARD TO BEAT"

Winners in all three divisions of the Hong Kong Lawn Tennis League—a difficult feat which they have performed three times—thus putting up a record which, in the words of Mr. H. R. B. Hancock, President of the Lawn Tennis Association, is hard to beat, the Chinese Recreation Club were "At Home" to a large and cosmopolitan gathering on Saturday, when a fine afternoon's sport was enjoyed by all in the true "get-together" spirit.

Amongst those present were His Excellency the Officer Administering the Government (the Hon. Mr. W. T. Southern, C.M.G.) who was accompanied by Mrs. Southern and Capt. Whyte, A.D.C., Sir Shou-son Chow and Lady Chow, and Lady Ho Tung.

The afternoon's sport consisted of tennis, in which players of the C.R.C., engaged mixed pairs chosen from representatives of other Clubs in the three divisions of the league, and some closely contested matches were witnessed.

Tea was served on the lawn during the afternoon, whilst with characteristic C.R.C. hospitality, the bar was thrown open to all comers during the "At Home." The Band of the Punjab Regiment was in attendance, and enlivened the proceedings with a fine programme of music.

After the tennis came the distribution of the League Shields and Club prizes, which was gracefully performed by Mrs. Southern. Dancing was also indulged in to jazz music by the "Sonora" Orchestra.

President's Speech

Before the distribution of prizes, Mr. Ng Sze-kwong, President of the C.R.C., addressed the gathering as follows:

Your Excellency, Mrs. Southern, Mr. Hancock, Ladies and Gentlemen—It is my privilege again this year to extend to you, on behalf of the C.R.C., a very cordial welcome. It has always been, and I am sure it will always be, the policy of our Committee to make our annual "At Home" occasions when our members can meet their foreign friends on a day of healthy companionship and, in this respect, your presence today is the more welcome.

We are exceedingly honoured in having with us His Excellency the Officer Administering the Government, whose presence to-day is indeed encouraging. Our welcome is extended to one who is not only head of the Government, but also interested in sports for the good of the community. (Applause.)

To Mrs. Southern, too, we feel most grateful for coming here, and for having so kindly consented to distribute the prizes. Mrs. Southern, I am sure, needs no introduction. Since her arrival in the Colony three years ago, she has endeared herself to the public, by reason of her active association with various social and charitable organisations. The success of the M.C.L. bazaar last year bore ample testimony to her untiring efforts which resulted in a record collection for local and other charities. I would take this opportunity to wish her and the M.C.L. bazaar, which is coming off again very soon, even better success this year. (Applause.)

Review of the Year

Before we proceed with the distribution of prizes, I would like to review, very briefly, our sports activities for the past year. In the Cricket League last season, we were seventh out of the teams competing, a position which could be considered as fairly satisfactory, in view of the fact that, for several years previous to this, we had to fight very hard to avoid being presented with the wooden spoon. Although our performances in the Cricket League have never been very encouraging,

yet we cherish a very strong desire to keep up this game as long as we exist, and to take the lessons of cricket with regard to discipline and esprit de corps as guiding principles in our sports activities.

What we could not do in cricket, however, we managed in the Tennis League. We have won all the three divisions for the third time in succession! All the pairs in the teams did exceptionally well, and the Lo brothers went through all their matches with not a single defeat. (Applause.)

At present, in view of the inadequacy of space, we have to confine ourselves to only cricket and tennis, and to limit our membership to the facilities available, but it is my earnest hope that the day will soon come when we shall be able to extend our activities to meet the needs of a greater percentage of our business community, so that, through them, and the medium of sports, we shall be in a better position to do our bit to support Sir Cecil Clementi's "get together" movement, as I am one of the very strong believers that the sports clubs of the Colony, both Chinese and foreign, are capable of doing much more in this direction and to better advantage than other agencies. (Applause.)

Mr. Ng Sze-kwong then asked Mr. Hancock to say a few words.

Mr. Hancock's Remarks

Mr. Hancock said that before asking Mrs. Southern to distribute the Shields of the three divisions of the Lawn Tennis League, he wished to take the opportunity of congratulating the C.R.C. on the record which they had established, in winning all the three trophies. (Applause.)

It was, Mr. Hancock said, customary now to establish records as at the Olympic sports at Amsterdam and at Home in cricket. The C.R.C. had won all three divisions of the Lawn Tennis League for three years in succession and thus established a record which was hard to beat. (Applause.)

Mr. Hancock congratulated the C.R.C. on their success and proceeded to say that in the first division of the Lawn Tennis League the Club had been very fortunate in being able to call upon the services of the veterans of the game—such players as M. K. and M. W. Lo and Ng Sze-kwong, many times singles champion of the Colony. (Applause.)

Throughout the season they had lost only six sets, winning 48. This was the third time the C.R.C. had performed the "hat trick," a performance which they had every right to be proud of. The Shield for the second division of the League had been won outright. For some time, the League had been unable to find out who the donor of the trophy was or what were the conditions under which it had been presented. After a long search, they were able to establish that Dr. Forsyth, a great supporter of tennis, was the donor of the Shield, but they had been unable to ascertain what the conditions were.

As the C.R.C. had won the Shield more times than any other Club, the League had pleasure in handing the Shield over to the safe keeping of the Club. (Applause.) Proceeding, Mr. Hancock said that the League worried for a time about a new Shield for the second division, but they were not kept worrying for long, as a new Shield was presented by Mr. Lo Cheung-shiu, another big supporter of tennis. He was sure that they were all grateful to Mr. Lo for his generosity. (Applause.)

In conclusion, Mr. Hancock said that he would like to take the opportunity, on behalf of the C.R.C., for their kindness and hospitality that afternoon. He was sure that all would go away pleased and happy. Gatherings like this were good because they helped to banish misunderstandings that existed between peoples with different outlooks. (Applause.)

"Charming and Helpful"

After distributing the prizes, Mrs. Southern expressed thanks to Mr. Ng Sze-kwong for his welcome and the good things he had said. A gathering of the sort they had the pleasure of attending that afternoon was both a charming and helpful enterprise from which all sections derived benefit by being brought into social contact. (Applause.)

Mrs. Southern then referred to the forthcoming M. C. L. Fair and asked all to come and help to make it a success. She also associated herself with what Mr. Hancock had said. The "At Home" was certainly one of the most happy and successful events of the year.

Mr. Southern said that he was surprised when he was asked by Mr. Ng Sze-kwong to say a few words. He had protested, but to no avail, that his wife was quite capable of taking care of herself, and could speak for them both. The "Get Together" Spirit

Mr. Southern said he would echo both Mr. Ng and Mr. Hancock in their reference to the "get together" spirit and say that there was nothing like it whether fostered on the tennis courts, the cricket field, or as in his case latterly, on the bowling green. It also helped them when they met outside, whether in politics or business, to

recognise each other and share what difficulties which might be before them with that same friendly understanding as in sport.

In conclusion, Mr. Southern said that they were all indebted to the C.R.C. for the opportunity to meet there that afternoon and hoped that opportunity would arise for many more such happy gatherings.

Bouquet For Mrs. Southern  
Mrs. Southern was then presented with a bouquet in a silver vase by Miss Cheung, daughter of the Hon. Treasurer of the C.R.C.

The function closed with cheers for Mrs. Southern, called by Mr. Ng Sze-kwong; for the visitors, called by Mr. C. F. Lee, Hon. Secretary of the C.R.C.; and for the C.R.C., called by Mr. Hancock.

## SEAMEN'S UNION

DISTINGUISHED GATHERING  
AT DINNER.

INAUGURAL CELEBRATION.

Several nationalities and many  
influential residents of Hong Kong  
were present on Saturday night at  
the ceremonial banquet held in the  
Kam Ling restaurant, West Point, to  
celebrate the inauguration of the  
Chinese Seamen's Associated Union.  
About a hundred sat down to an  
excellent repast, there being almost  
as many foreigners as Chinese.

The Lyric Dance Orchestra dis-  
coursed musical selections during  
the evening.  
Mr. Leung Yuen-wo (chairman)  
presided. His son, Mr. K. C. Leung  
(secretary of the Union), was in  
charge of the entertainment of  
guests.

## Amicable Relations

The chairman delivered a speech  
of welcome in Chinese and Mr. Lam  
Shu-pang acted as interpreter. Mr.  
Leung emphasized the aims of the  
Union as being as follows:—

1.—To consolidate the diverse  
mass of Chinese seamen, purging  
it of all undesirable elements,  
more especially those with com-  
munist leanings.

2.—To work for improved and  
amicable relations between em-  
ployer and employee, i.e., be-  
tween the shipping companies and  
the Chinese seamen serving on  
their vessels.

Mr. Leung attributed success in  
formation to two contributory  
forces—direction and encourage-  
ment from the Hong Kong Govern-  
ment, and the inspiration, govern-  
ment, and the educational, govern-  
mental, commercial and industrial  
communities of the Colony.

## Foreign Support

Mr. K. C. Leung also spoke and  
appealed for non-Chinese support  
for the Union, extending a warm  
welcome to all present, particularly  
the foreigners.

Mr. F. W. James of Messrs.  
Butterfield & Swire and Mr. C. de  
Bruyn of the Java-China-Japan Lin-  
e gave voice to the guests' thanks,  
assuring the sympathy and help of  
the foreign business community for  
the aims announced—in the mutual  
interests of trade and deprecating  
the incursion of communist  
teachings into the Chinese labour  
movement.

Then Mr. Yau Lit, the well-known  
Chinese scholar, also addressed the  
gathering, pointing out that it was  
the first time that foreign business  
and shipping men had sat together  
with Chinese seamen at dinner.

Captain A. W. Davidson paid a  
tribute to the unremitting work the  
Union's chairman has performed in  
the interests of charity in general  
and Chinese seamen in particular.

Mr. Leung, the speaker said, is a  
director of the Kwong Wa Hospital,  
Yau-mai. He is the sponsor of  
two free schools for Chinese sea-  
men's children—one being for boys,  
the other for girls. And Mr. Leung  
is always engaged in assisting to  
alleviate the condition of unemploy-  
ed seafarers and the families of  
Chinese seamen.

## THE CUSTOMS

MR. EDWARDS SPEAKS  
OUT

ACCEPTS NEW JOB

Shanghai, Saturday.  
Chinese newspapers in Shang-  
hai and elsewhere have thundered  
editorially at the appointment of  
Mr. A. H. F. Edwards as Officiating  
Inspector-General of the Maritime  
Customs, but Mr. Edwards, in an  
interview with the "N. C. Daily  
News" published this morning,  
stated that he has officially accept-  
ed the appointment.

In his confirmed capacity, Mr.  
Edwards will pay his first official  
visit to Nanking on Monday.

Chinese Allegations.  
Animadverting certain allega-  
tions in the vernacular papers,  
which have been agitating for the  
appointment of Mr. F. W. Maze,  
now the Deputy Inspector-General,  
Mr. Edwards remarked that when  
he heard of the proposed demon-  
stration in Canton against Shamen  
on June 23, 1925, realising the  
tenseness of the atmosphere, he  
urged the Chinese Superintendent  
to arrange either that the demon-  
stration did not pass the Customs  
House, or that the Customs House  
should be closed during the pro-  
cession.

He found that the Superinten-  
dent was not agreeable to either  
course, and therefore he closed  
the Customs House on his own  
responsibility with the full approval  
of the Inspector-General, "Sir  
Francis Aglen."

"Fully Justified"  
The regrettable incident which  
followed proved that my action was  
fully justified as none of the  
Customs staff were involved in the  
incident.

The incident referred to is, of  
course, the terrible Shakes affair  
of 1925, when shooting occurred  
between the Chinese demonstrators  
and the defenders of Shamen.  
Mr. Edwards was himself wound-  
ed during the affair. At that time  
he was Commissioner of Customs  
at Canton.

Mr. Edwards to-day also re-  
futed the allegation that he ever  
closed the port of Canton, pointing  
out that this incident occurred  
eight months after his departure.

The Real Facts.  
The closing of the port was due  
to a quarrel between Col. Hayley  
Bell, the new Commissioner, and  
strike pickets, who were illegally  
seizing goods from the Customs.  
It was re-opened on instructions  
from Mr. T. V. Soong that the  
Strike Committee should surrender  
all confiscated cargoes to the  
Customs House. This action was  
fully justified by the circumstances  
prevailing.

His alleged opposition to the  
Nationalist Government, Mr. Ed-  
wards described as "all accusa-  
tions without foundation and base-  
less, pointing out that the Customs  
Service is a national organisation."

functioning for the financial credit  
of China as a whole. There  
could be no question of any mem-  
ber of the Customs giving any  
assistance to one factional Govern-  
ment against another.

Supports Tariff Aspirations.  
The allegation that he had done  
his best to hinder the aspirations  
of the Nationalist Government to  
tariff autonomy, Mr. Edwards  
described as equally without  
foundation.

"I have long realised," he said,  
"that in order to restore China's  
financial credit and to assist in the  
formation of a stable government  
it is essential that the Customs  
revenue should be increased."

Mr. Edwards added: "It is  
well known that I have continued  
to make suggestions towards the  
attainment of tariff autonomy by  
gradual stages, which will restore  
China's financial credit without  
endangering the volume of trade."

—Reuter.

Members of the Hong Kong golf  
team that lost heavily to Shanghai  
returned to the Colony on Saturday.  
These included Messrs. A. E.  
Lissaman, Ferguson, C. Stark and  
O. E. C. Marton.

## SHANGHAI'S CRIME WAVE

There is every indication that despite more settled conditions, both politically and economically, Shanghai is not what it ought to be. It is a difficult problem precisely to determine what is wrong with the northern city. A few days ago we received a telegram, which we published in the "China Mail," to the effect that Shanghai had been experiencing a "crime wave" and judging by what reads not unlike a catalogue of horror, it is to be hoped that what is stated is far from the normal in Shanghai. We read that last month there were 7 murders, 6 attempted murders, 7 armed abductions, and 51 armed robberies; also that 29 Chinese desperadoes were arrested at various times (presumably during the same month) by the Settlement Police and executed by the Chinese authorities. The expression "a catalogue of horror" does not appear to be any too strong to apply, as we have done, to Shanghai's sudden outburst of extreme crime. At no time in Shanghai's ideal city, as its records convincingly prove, and normally it is in crime much as are most large cities in other parts of the world. During the past few years of unsettled conditions, the city has, of course, suffered more at the hands of the lawless, very largely owing to the spread of the absurd ideas emanating from Russia, by which even the placid Chinese were taught to despise authority and the rights and property of others. With the advent of the Nationalist Government and particularly in view of the fact that Shanghai is regarded by them as one of their strongholds, it was believed that

gradually Shanghai and China generally would subside into ways mostly of a stable government. But the months are passing since the Kuomintang Party took over full control and, as stated, only last month one of the worst crime waves in Shanghai's experience had to be recorded.

The Chinese authorities in Shanghai, evidently realising that they must do something, have issued a "warning" which, rather incongruously, is wholly intended for the foreigner. It seems to us that it would have been much more to the point had they issued something in the nature of one of the old "tremble and obey" edicts for the special benefit of the lawless elements, in which the utmost rigour and rapidity of the law could have been held over them in language of unmistakable severity. There can be no doubt that to those foreigners foolish enough to roam about in isolated parts of the Settlement, in close proximity to Chinese territory, a word of warning seems necessary. In these days when there are so many disbanded soldiers roving in and near Shanghai looking, it would seem, more for criminal adventure rather than honest work, it is the utmost folly for foreigners to place themselves in such a position in which they might easily be robbed or murdered or both, and merely for the sake of a few dollars. The murder of Miss Thompson and the attempted murder of Mr. Dudley Law last month, in an isolated part of Shanghai's International Settlement, clearly shows the dangers that are run and justifies the warning issued.

It is interesting to read that these members of the Chinese Merchants' Federation in the French Concession, Shanghai, are urging the French authorities to permit the organisation of a "Chinese Voluntary Corps" to cope with those bandits who are probably responsible for the kidnapping and robberies that have been prevalent in the Concession of late. A similar organisation, it is pointed out, is in existence in the International Settlement. Doubtless a French authorities will consider the matter as seriously as it deserves and perhaps welcome it as an additional hopeful step of getting rid of what has now come to be regarded as a veritable pest to the place. The Chinese authorities cannot be blamed for not doing their best to strike terror into the lawless, for it is almost invariably execution that is the fate of those found guilty and handed over to them by the foreign authorities. They

would probably do some lasting good if they circulated news to the effect that even more rigorous steps will be taken by them towards uprooting the bands of armed robbers who infest Greater Shanghai, the French Concession and the International Settlement.

The Hong Kong Tramway Co. announce that Shaikwan cars will go right through to Western Market in future.

Chan Kit (24) a married woman living at No. 295, Lai-chikok Road, first floor, attempted to commit suicide at 11 p.m., yesterday by jumping into the harbour near Boundary Street, Shamshuipo. She was rescued and the police removed her to hospital.

Mr. J. C. Tacchi, living at the filter beds on Pokfulam Road, reported to the police yesterday that some time between 8 a.m. and 8 p.m., on Saturday, a thief entered his bedroom by breaking a window, and stole jewellery, a concertina and money to the total value of \$93.

The new s.s. "Chuen Chow" has now taken the water from the Kwong Fook Cheong slipway and will be put in commission on the Macao run in about a fortnight's time. The officers are—Master, Captain, T. Jones; Mate, Mr. D. Scully, Chief Engineer, Mr. J. Heggam.

Arriving from Calcutta and Singapore with 222 deck passengers the s.s. "Sui Sang" reports the suicide of a Chinese at sea. The deceased, Leung Yuen, who was an emigrant, committed suicide by jumping overboard at 6.45 on Oct. 14, and although lifeboats were lowered, the body was not recovered.

Pleading guilty to a charge of boarding the s.s. "Hong Keng" without permission, eight hawkers were each fined \$20 at the Marine Court this morning. A boy of 14 years old, who was charged under the same offence, was ordered to receive six strokes of the birch. Mr. W. G. Perrett, chief officer of the "Hong Keng" prosecuted.

Lau Lam (22) spinster, living at No. 584, Reclamation Street, reported to the police that while she was walking in Reclamation Street on her way home last night at about 10.30 p.m., three men attacked her from behind and relieved her of a pair of gold bangles worth \$60. After throwing her to the ground, all three assailants escaped.

Chu Chuen, seaman on a motor boat, was fined \$10 at the Marine Court on Saturday on a charge of mooring his craft in the approaches to the Western Anchorage, thus obstructing the fairway. In another case the master of the steam launch "Kong On," who was charged with being under way in the waters of the harbour, without having a certificated engineer on board, failed to appear. The case was adjourned until Wednesday at 10 a.m.

At 9.55 a.m., yesterday, the police removed to the public mortuary the body of an unknown Chinese male, aged about 25 years, which was found in a field off Argyle Street. The dead man who was dressed in black cotton clothing, bore numerous injuries on the head, of such a serious nature that any one of them could have caused death. Detectives of the Criminal Investigation Department, who worked on the case, are of opinion that the unfortunate man was murdered. It is understood that certain clues are being followed up.

## CORRESPONDENCE

### "CHRISTIAN SCIENCE"

(To the Editor of the "China Mail.")

Sir,—Kindly permit me to refer to the conclusion of an article in the "China Mail" of Saturday, which falsely claimed to represent a forward step in Christian Science practice.

Correct views of any religion are not likely to be gained from misrepresentations made by opponents. The writer of the above article was formerly a member of the Christian Science movement as founded by Mrs. Eddy, but voluntarily withdrew about twenty years ago. Since then, making use of the name of Christian Science, she has sought to propagate her own teachings, which have absolutely no connection with Christian Science as founded by Mary Baker Eddy.

The article in question, contains so many misrepresentations and deliberate falsehoods, that it would be difficult to deal with them all in a letter of this nature. But I trust you will allow me to make a few corrections.

The writer's remarks about Mrs. Eddy are not only malicious and unchristian, but are untrue. There is no foundation for the allegation that Mrs. Eddy was compelled to take drugs and that she passed on under suffering. There is an authentic biography of Mrs. Eddy, entitled "The Life of Mary Baker Eddy," by Sibyl Wilbur. In this book all can become informed of the facts about Mrs. Eddy's healing and her discovery of Christian Science. On page 384 of this work, the following passage occurs relative to the passing of Mrs. Eddy: "Members of her household watched with her and she spoke with her, assuring them she felt no pain. She was conscious that her students were opening their minds to the realisation of Life; this conscious thought was, as it had been for fifty years, her great and only physician. As one falling, asleep, at a quarter before eleven o'clock, Saturday night, she ceased to breathe, passing out of earth consciousness."

Further misstatements occur regarding the benevolent homes which have been thoughtfully provided by the Christian Science movement. The Christian Science Benevolent Association Sanatorium at Chestnut Hill, Massachusetts is a temporary resort, providing harmonious environment and proper care for those seeking healing through Christian Science. Opportunity is also afforded Christian Scientists for quiet restful study. A staff of specially trained Christian Science nurses is available. The Christian Science Pleasant View Home at Concord, Massachusetts is designed to afford shelter to elderly individuals who have devoted their lives to the practice of Christian Science and to aid them to continue their work in peace and harmony. A third benevolent institution is in course of construction on the Pacific Coast. Much good healing work is taking place in these two havens, and frequent authentic testimonies of restoration to well being are given in the authorised Christian Science periodicals. Those expressing their gratitude for healings received at these homes, make special reference to the peace and harmony reigning there and emphasise the wonderful opportunity that is afforded for quiet study of the Bible and Mrs. Eddy's works amidst surroundings conducive to spiritual growth.

It might be inferred from the article that Christian Scientists are compelled to resort to material aids that thousands of Mrs. Eddy's followers are suffering, but this is untrue. Students of Christian Science as founded by Mrs. Eddy, are demonstrating that the Truth taught by Jesus Christ is just as potent to free them from sin and disease to-day, as it was nineteen hundred years ago and they successfully rely solely on the power of God for healing. It is safe to say that Christian Scientists as a body are happy, healthy and active, which is the natural result of the application of Christian Science in their lives.

The main theme of the article, that Christian Science and what is known as medical science can be co-operant, is directly opposed to the teachings of Mrs. Eddy. Christian Science as founded by Mary Baker Eddy, is based on the Bible and is the rediscovery of the divine principle which underlies the works of the Prophets, Christ Jesus, his disciples, and the early Christians. Just as there was no such co-operation in the original Christianity, so it is impossible for there to be in Christian Science.

On page 110 of the Christian Science text book, "Science and Health with Key to the Scriptures" Mrs. Eddy writes, "This book may be distorted by shallow criticism or by careless or malicious students, and its ideas may be temporarily abused and misrepresented; but the Science and truth therein will forever remain to be discerned and demonstrated."

Yours, etc.,

## AT ELLIS KADOORIE

ST. JOHN BRIGADE MEMBERS  
STAGE CONCERT

### HOW "JOHNNIE" JOINED

On Saturday last the members of the Indian Division of the St. John Ambulance Brigade gave a very enjoyable concert, by kind permission of the Headmaster, in the Ellis Kadoorie School for Indians, Sookumpoo.

The tastefully decorated hall was filled to overflowing and the well-lighted stage presented a very attractive appearance. The black background made a very fine setting for the costumes of the so artistically arranged.

Among those present were Mr. A. el Arculli, the officer in charge of the division; Mr. and Mrs. J. Ralston, and Mr. and Mrs. G. W. C. Burnett.

The programme commenced with a well-rendered piano selection by Mr. W. Abbas. Following this were two items contributed by the Black Diamonds String Band which proved a huge success. A great favourite was Mr. S. Olaves with his mandolin, and the audience demanded several encores. Mr. W. O. Hoesen's violin solos were indeed very well played, and "Humoresque" was delightful. Mr. R. M. Omar gave some comic monologues, the subject being an imitation of Cohen on the telephone which nearly convulsed his audience and his make up was very realistic; also in the impersonation of a Japanese gentleman wanting to book a passage by telephone, on a Japanese steamer. Mr. Omar showed by his two efforts that he is a perfect comedian. The first part of the programme was brought to an end by Mr. A. J. Maurilio in "Acrobatic" and Jultsu features, in which four of his pupils took part. One was a young lady who showed that she had been well trained and the man that tried to take her purse would soon find out he had not struck an easy victim. The others were all up to standard showing careful training by a good teacher. During the interval tea and cakes were served on the lawn.

Part II was taken up by an "Unusual Absurdity," by members of the Indian Division. The name of the piece being "Johnny joins the Ambulance," written by Mr. R. M. Omar. Johnny and Jimmy were two pals who were at the point of starvation.

Johnny was knocked down by a motor car and severely injured. The Ambulance Stretcher Squad is quickly on the spot and they have him all bandaged in no time. A member of the Brigade who happens to be passing is in civilian clothes, but enquires what has happened. He then tells the Squad to take the patient to the hospital. When the doctor has finished his examination he compliments the men of the Brigade and says through their promptitude a life has been saved.

Jimmy is heart broken and is afraid of losing his pal, but when he finds how well he has been looked after he begins to think of joining the Ambulance Brigade which his pal and himself had made the object of the jokes on many occasions previous to the accident so when Johnny leaves hospital his pal meets him and they both decide to join up.

Recruit Parades are being held in a training camp in charge of a Sergeant who is typical of the man that struts about twirling his moustache. He talks a lot and does nothing, leaving everything to the Corporal. Johnny and Jimmy are very raw, so many amusing scenes are witnessed during camp days.

Mr. I. Harroon made a very fine young lady. Her vanity case and lipstick were frequently resorted to. She just knew how to captivate the boys. The National Anthem brought the close of a very fine evening. And we all hope there may be more of these excellent concerts to follow.

A flashlight photo was taken of the audience after the concert.

Theatre from Wednesday to Saturday next, according to a special advertisement in this issue. Ramon Novarro, the hero of "Ben-Hur," and beautiful Norma Shearer lead a huge cast of players. Based on the famous stage play, the story deals with the love of a Prince for a peasant maid. The picture involved perhaps the most elaborate building activity in the history of the screen. In addition to thirty-five principals who appear in this great romantic screen play, there are over two thousand extras. The cast, among others includes George K. Arthur, Jean Harlow, Otis Harlan and Philippe De Lacy.

Dr. Wu, who is a Cantonese, said he thought the Lingnan science hall will be much appreciated by the student body of Kwangtung.

## CHINESE CAUGHT CLIMBING THE WALL

A sentence of 3 months with hard labour was imposed by Mr. W. Schofield, at the Kowloon Magistracy this morning on a Chinese who was charged with the theft of a number of singlets from No. 33 Waterloo-road.

Inspector R. A. Marks said that complainant saw defendant climbing over the wall of his premises, and pulling him off the wall by the legs. Defendant fell and at precisely the same moment a box standing by the wall fell on him. Angered defendant assaulted complainant. He was searched and 18 singlets were found on his person.

Police records showed that defendant was banished from the Colony for 10 years, which time had since expired last year. Defendant admitted this.

## LESSON SERMON

## FIRST CHURCH OF CHRIST, SCIENTIST, HONG KONG

"Doctrine of Atonement" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 21.

The Golden Text was from 1 Corinthians 1:18, "The preaching of the cross is to them that perish foolishness; but unto us which are saved it is the power of God."

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Who hath believed our report? And to whom is the arm of the Lord revealed?"

He is despised and rejected of men; a man of sorrows, and acquainted with grief; and he hid as it were our faces from him; he was despised, and we esteemed him not. Surely he hath borne our griefs, and carried our sorrows; yet we did esteem him stricken, smitten of God, and afflicted."

But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed." (Isa. 53: 1-5).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Jesus bore our infirmities; he knew the error of mortal belief, and with his stripes (the rejection of error) we are healed." "Despised and rejected of men," returning blessing for cursing, he taught mortals the opposite of themselves, even the nature of God; and when error felt the power of Truth, the scourge and the cross awaited the great Teacher. Yet he swore not, well knowing that to obey the divine order and trust God, says, retracting and traversing anew the path from sin to holiness." (P. 20).

## "ADAM AND EVIL"

## LIVELY PICTURE AT THE QUEEN'S

## MERRY MIX UP

"Adam and Evil," in which Lew Cody had dual roles to play opposite Aileen Pringle, greatly pleased good audiences at the Queen's Theatre yesterday.

Adam Trevalyan (Lew Cody) was the husband of Evelyn Trevalyan (Aileen Pringle), and they would have got on well together but for the selfish interference of one of Evelyn's girl friends, who in working hard to keep the two together (as she puts it) went the wrong way about her job by filling Eve's ears about Adam's movements in the City.

Eve discovers Adam with a girl in a downtown all-night cabaret. He pretends to be his twin brother Allan and makes furious love to her. Adam, who lives in Brazil, happens to arrive in town the same day.

Eve's so-called friend discovers that the name A. Trevalyan and wife was in the register of a hotel and told Eve that Adam was taking the cabaret girl there. Eve visits the hotel and then there is a perfect jumble when both Adam and Allan appear together. Both Eve and the cabaret girl had great difficulty in "sorting" the men out, but eventually they did so to the satisfaction of all concerned.

## "BEAU GESTE"

## THRILLING STORY OF FOREIGN LEGION

## COMING TO THE WORLD

Cinema-goers will be delighted to learn from a special advertisement appearing in this issue that "Beau Geste" the big film which drew crowded houses during its run at the Queen's will be screened again at the World Theatre from Wednesday to Saturday. The magnificent broad sweep of this drama of the French Foreign Legion has never before been surpassed, nor has there ever been a finer theme more masterfully executed, than that of the devotion of three young brothers, and their smiling unflinching sacrifice for each other. The epic note of "Beau Geste" is struck in the opening scenes. A detachment of the Foreign Legion is shown on its way across the African Desert to relieve a fort which has been attacked by Arabs. Arriving, the commander of the relieving force finds no sign of Arabs, and his glass reveals a soldier standing at every embrasure in the walls ready to fire on an enemy. A single call elicits no response. Not a man stirs, and the gates remain closed. The major goes close to the walls and discovers the alert sentries to be—all dead. The leading players are Ronald Colman, Alice Joyce, Noah Berry, Mary Brian, Neil Hamilton, William Powell, Ralph Forbes, Norman Trevor, and Victor McLaglen. Owing to the unusual length of the picture, performances start promptly at the special times advertised, namely 2.30, 5.00, 7.15, and 9.30 and the picture begins immediately after the overture.

## MANILA SHOWS

## MAY BE SEEN IN HONG KONG

Mr. F. G. Leach, Secretary for the Macao Charity and Commercial Fair, which opens at Macao on November 3, has made all arrangements for the transportation of the Manila Shows to furnish the entertainment features at the Fair.

The Manila Shows arrive in Hong Kong on October 30 direct from Penang, Straits Settlements, and the balance of the attractions, also operated by Churchill and Tait, are coming to Macao direct from Java.

The Manila Shows are novel in many ways. In the first place, they have several attractions that are entirely new to this part of the country, although they have been operating successfully in Java and British India for several years.

The Manila Shows consist of several riding devices the same as used in the big fairs in England. There will also be a number of tent shows, several of them of considerable merit including a Filipino Circus, a Variety Show, hula dancers, a Magic Show, and some smaller attractions.

It is possible that Hong Kong will be favoured with a visit from this large organisation as they will pass through Hong Kong after the Macao Fair en route to Manila where they will furnish the feature attractions at the Philippine Carnival.

## CHINA &amp; JAPAN

## IMPORTANT CONVERSATIONS ARE HELD

## "RAPID STRIDES"

Nanking, Yesterday.—The Wang-Yada conversations were resumed this afternoon. It is learned reliably that rapid strides were made towards an early settlement for the major issues, particularly of the Nanking and Tsinan incidents.

The subjects of tariff autonomy and treaty revision were also considered at some length and although no official statement is forthcoming it is believed the conference expects to dispose of these questions without undue difficulty.

A Chinese official speaking to Reuters's correspondent, said that, speaking generally, a most friendly atmosphere exists, and the meeting is expected to be entirely successful.

## "Sincere Desire"

Chinese official circles consider the attitude of the Japanese representatives as thoroughly reasonable, and indicative of a sincere desire for a speedy settlement of questions which have proved thorny ones in Tokyo and Nanking during the last eighteen months.

It is understood that some difference arose in connection with the settlement of the Nanking incident, but it is generally stated that when the conversations are resumed on October 22, all differences will be easily and quickly cleared up.

Manchuria, and the Chinese and Japanese interests in that area, were not discussed this afternoon, according to an official announcement, and thus far there is no indication whether the subject will be dealt with at this time.—Reuters.

## Shots Fired in Dark

Nanking, Yesterday.—Great excitement was caused in the neighbourhood of Dr. Wang's residence this evening, when the electric lights went off and candles were placed on the conference table.

Suddenly several pistol shots rang out in the darkness, and soldiers quickly formed a cordon round the residence and searched the area for the perpetrators of the outrage without success.

Later Dr. Wang gave a banquet to members of the conference and their wives.—Reuters.

At the Hong Kong University Union on Saturday, the final in the Ladies' Ping Pong Tournament was decided, the finalists being Miss Wong Sui-lan, of the Chung Shen Athletic Association, and Miss Wong Yuen-lan, of the Rhenish Church Club. The match resulted in a rather easy win for the first named young lady in two straight sets—3-1; 3-0.

Miss Violet Ng Ting-ting, a distinguished Chinese lady teacher, gave away the prizes to the successful winners of the Ping-Pong League and the Singles Championships.

After the match Mr. Ng Tai-ping, the President of the Ping Pong League, thanked the gathering for their attendance and especially those who have so generously donated prizes to the League.

### K.C.C.'S VICTORY

#### TWO MATCHES IN CRICKET LEAGUE

#### INDIAN'S MIXED SUCCESS

Two matches in the Cricket  
League were played on Saturday.  
Kowloon Cricket Club defeated the  
Indians in division I, and the In-  
dians beat the Police in division II.  
Midshipman Green, R.N. made a  
century in a friendly match.

#### K.C.C. v. INDIAN R.C.

In an interesting game, Kowloon  
C.C., on their own ground defeat-  
ed Indian Recreation Club by six  
wickets.

The visitors started shakily but  
a useful partnership for the fourth  
wicket between Rumjahn (47) and  
A. H. Madar (46) changed their  
outlook somewhat, until Goodwin,  
who had been bowling for twelve  
overs without much success, came  
on for a second spell and wrought  
havoc towards the end by taking  
five wickets in his last three overs.

Ross (4 for 32) helped to dismiss  
the I.R.C. for a total of 128.  
Kowloon C.C. had to contend  
with some exceptionally keen field-  
ing at the commencement of their  
innings but a steady partnership  
between Ramsay (22) and E. C.  
Fincher (23) paved the way for  
Ernie Fincher to knock off the runs  
necessary for a victory, the latter  
scoring forcefully for 64 not out.

total when Eldridge and Fletcher,  
given the ball late, played a great  
part in dismissing the side for 95,  
the former getting three wickets  
for 9 and the latter 2 for 5.

## AQUATIC SPORTS

### SATURDAY'S EVENTS AT THE V.R.C.

#### VETERAN WINS 1/4 MILE

There was a fair attendance at the annual aquatic sports of the Victoria Recreation Club on Saturday afternoon when three championship events were decided. These were the Quarter Mile Championship, the 100 yards Ladies' Championship and 100 yards Boys' Championship.

There were only three competitors in the Quarter Mile event—C. J. Cooke, L. R. Pereira and D. Lyon, and this was easily won by Cooke, the veteran swimmer, who equalled the last record put up by D. Lyon in 1924.

In the first length, Pereira was leading. However, Cooke kept up his pace. Pereira was going strong at first but Cooke was following close from behind while Lyon was also going well but at a few paces behind the two. There was no change, with the exception that Cooke was gradually heading for the lead. He then drew level with Pereira and was leading throughout from the eighth length, and was easily the winner. Pereira put up a fine struggle but Lyon was left at a distance.

The times were: Cooke, 5.49 secs.; Pereira, 5.55 secs.

**The Ladies' Race**  
The 100 yards Ladies' Championship attracted the following competitors:—M. George, P. Hunt, D. Hunt and D. George. In the first length, P. Hunt was leading, but she conceded her position in the second length to M. George who then led throughout. The rest, however, tried hard but failed to wipe out M. Hunt's advantage. D. Hunt made a fine effort and was next to the winner.

The times were:—M. George, 91.1/5 secs.; D. Hunt, 95.3/5 secs.

**Boys Do Well**  
In the 100 yards Boys' (under 15) Championship there were four competitors:—J. Amery, F. Sterling, A. Dalziel and R. Wood.

The boys did quite well in this event. Amery, however, was by far the stronger swimmer and was leading throughout. Sterling kept up well while the rest was left for a good distance behind.

The times were:—Amery, 72.1/3 secs.; Sterling, 84.1/5 secs.

**Team Race**  
In the 100 yards Team Race there was only the V.R.C. team who swam a test, returning the following time:—D. Lyon, 64 secs.; J. R. Johnstone, 62 secs.; S. V. Gittens, 64.2/5 secs.; L. R. Pereira, 66 secs.; C. J. Cooke, 69 secs.; W. S. Kerr, 73 secs.

**High Diving**  
In the High Diving competition there were two competitors and the prize was won by E. A. da Rosa with 84 points. The other competitor was S. D. Igglesdon who obtained 74 points.

**150 Yards Handicap**  
In the 150 yards Handicap for Members three started. J. R. Johnstone was scratch man, the other two being H. M. Remedios and W. Foraita. It was a good race between Remedios and Foraita with Johnstone unable to overcome his handicap. Remedios and Foraita finished only one fraction of second behind each other, the times being Remedios 1.55.1/5 secs. and Foraita 1.55.2/5 secs.

**Sunday's Events**  
Yesterday two more championship events were decided at the V.R.C. in connection with their annual aquatic sports meeting.

C. J. Cooke showed up to advantage in the Long Plunge in which a correct entry and the keeping of a straight course in the water enabled him to cover a much greater distance than any of the other competitors. Cooke won the event comfortably with a plunge of 66 ft. 11 1/2 ins., after being already well in the lead with 66 ft. 7 ins. registered in his first plunge.

Cornwall Chu, a Chinese competitor was a good second with a distance of 64 ft. 2 ins. registered in his last plunge. Previously he did 51 ft. 8 1/2 ins. in the first plunge and 62 ft. in the second. The third man was also a Chinese (Ko Yau-cheung whose best plunge covered 54 ft. 10 ins.).

The other competitors were S. E. Edgar and L. Cpl. Branch.

**No Harbour Race**  
The next event was throwing the polo ball. D. Lyon shone in this event, throwing the full length of the bath with many inches to spare. The official measurement for this throw was 69 ft. 6 ins.

Pte. Rodgers was the only other competitor and his best throw was 59 ft. 6 ins.

As there have not been sufficient entries, it was announced that the Club's harbour race for Chinese will not be held to-day.

### BORDERERS WIN OPEN RELAY RACE

#### SUCCESSFUL MEETING

The South China Athletic Association held their sixth annual athletic sports meeting on their ground at Caroline Hill yesterday, in the presence of a large gathering of interested spectators.

There were 24 events on an interesting programme. Owing to the large number of entrants in the various events, necessitating several heats, an early start was made, the first race the 100 yards dash being run off at 10.30 a.m.

The interest of the spectators was maintained throughout the day, every event being closely contested and some were attended by exciting finishes. The 800 metres open relay race which was run off at 4.30 p.m., was the chief attraction of the meeting. Several of the Colony's speedy teams were entered in this event and there was a lot of speculation as to the ultimate result of the race.

The Hong Kong Volunteers were much fanned for the event but their supporters received a rude shock when they were able to secure only third place, being defeated by the K.O.S.B., and the Club de Recreio in a gruelling race in which the competitors had to go all out to get in front and stay there.

## Division I

## H.K.F.C. v. ATHLETIC

These teams met at the Club ground, Valley, before a large crowd, the Athletic repeating their success of last year by winning 6 goals to one.

Club:—Logan, Holt, Bishop, McBride, Stewart, Massey, Alexander, Reid, Scott, Watson, Trambitsky.

Chinese Athletic:—Yik Chan-ping; Lo Wai-man, Lai Yuk-tat, Leung Yuk-tong, Wong Shui-wai, Ho Cho-yin; Tso Kwai-shing, Lam Yuk-ying, Wong Pak-chong, Suen Kam-shun, Chan Kwong-lu.

Referee, Captain Austin, R.A. Athletic won the toss and started one man short, but were dangerous from the start, Lam beating Bishop and putting across the Club goal. Reid was dangerous for the Club but just missed and the defence held. Reid again missed by inches from a cross by Trambitsky but Chinese Athletic scored easily through Suen who received from Tso and Wong Pak-chong added another, the Athletic leading 2 goals to nil at the interval. The Club defence fell away in the second half, Lam scoring nicely from a well-placed corner by Chan Kwong-lu and Lam increased the lead to four shortly afterwards with a big shot. Suen signalled his appearance by scoring two more goals in old time style and Club got consolation with a good effort by Scott after fine work by McBride and Trambitsky.

Comment  
The score altogether misrepresents the run of the play. Up to a certain point Club were as good as their opponents, but the Chinese forwards' opportunism was a big factor and Suen, Chan and Tso were always dangerous. The defence was steady and Lai Yuk-tat and Leung Yuk-tong were the star players behind. Club should have scored in the first half and did not deserve to be two down at the interval. Logan was not at his best and had a day off but Bishop and Stewart played great games in a hopeless task. Reid had hard luck forward and Scott and Trambitsky were ever triers. The score flattered the Athletic who were certainly superior but were not six goals ahead.

KOWLOON v. SOUTH CHINA  
There was the usual large crowd at the Railway ground. The match presented a big surprise, as the South China forwards over-ran the Kowloon defence and scored in easy fashion, winning by 6 goals to 0.

Teams:—Kowloon:—Angus, Guest, Eastman, Hedley, Sims, Miles; Pile, McKelvie, Moss, Tiersan and Baldwin.

South China:—Pau Ka-ping; Li Tin-sang, Lau Kau; Leong Yin-chun, Pang Wa-hing, Leong Wing-chiu; Lai Tin-choy, Fung King-cheung, Leung Wing-tuk, Lau Mau, Ip Pak-wa.

Referee, Staff-Sgt. Gilbert, R.A.O.C.

Sensational Start  
The match started sensationally, as straight from the kick off South China dashed away in great style and Angus saved brilliantly from Fung. South China evidently intended getting in early, as following a brilliant run and centre by Ip Pak-wa, the Kowloon defence was beaten and Lau Mau scored with a fine low drive. Kowloon could not shake off their opponents and from a perfect corner by Lai Tin-choy, Fung headed into the net and China led by two goals after seven minutes' play.

Kowloon briefly attacked, but Baldwin failed to cross and China came away again. A free kick just outside the area was well taken by Fung who scored with a great shot which was deflected past Angus by one of the defending side.

The visitors led at the interval by 3 goals to nil.

The game had hardly been restarted before Ip Pak-wa with a sparkling run, put over and the ball striking Eastman, went by Angus for China's fourth goal.

Kowloon attacked spasmodically through Pile and McKelvie, but Lau Mau ran right through and beat Angus easily, while Fung scored after the goal keeper had to run out to save.

The whistle blew with China attacking.

Comment  
Kowloon's experimental team was not a success. Angus did well in goal despite the score and Eastman and Guest had a big day against a very strong attack but did not do badly.

Sims had a gruelling time, and the Kowloon half backs could not hold the opposing forwards. Pile and McKelvie worked very hard and were the pick of a poor forward line.

South China were brilliant in the forward line, Ip Pak-wa and Lai Tin-choy giving a fine display. Fung, Leung and Lau completed the clever movements opened up by the wingers. The defence was not severely tried but was reliable on critical occasions and Pau brought off one great save in the closing stages.

South China won by clever forward play and won on their merits.

NAVY v. ROYAL ARTILLERY  
Navy:—Ward; Morton, Cornwall; Moss, Cobb, Jones; Mann, Cape, Skull, King, Chawner.

Royal Artillery:—Fletcher; Oliver, Nellis; Cotton, Fuller, Maltby; Bacon, Oliver, Leach, Joyce, Jobe.

Referee, Mr. F. Smith.

This match was played at Caroline Hill before a very small gathering.

The R.A. had a weak team owing to some of the players being away at camp. They kicked off and forced a corner, which Leach skied over. Leach later tried two shots when in a difficult position, without result.

The Navy took the lead after ten minutes' play, the R.A. goalies running out, but Skull, the Navy's centre, tipped over the goal's head to enter the net. The Navy spoilt some good forward play through being off-side. The R.A. had several golden opportunities to draw, but their shooting was very erratic.

The second half started with R.A. pressing, but the ball soon found its way to the other end for a feeble shot to be made. Chawner, on the Navy left wing, played well. From one of his centres Jones sent in a stinging shot, which Fletcher held. Mann, running through, put in a shot, which beat the goalie. Goals were missed on both sides through poor shooting.

The final stages were in favour of the Navy who ran out winners.

Result:—Navy ..... 2 R.A. .... 0

POLICE v. SMALL UNITS  
Played on St. Joseph's ground at Happy Valley, this League match was disappointing, neither side showing to much advantage after the first 80 minutes. Police made two changes from the team which won last week, Hudson being centre-half for Oram and Eastall deputising for Clarke in goal. Small Units were the first to threaten, and from a free kick Skinner hit the cross-bar with a beautifully judged drive, while from the rebound Waterfield headed just wide. A moment later Jenkins broke away and sent across a fine centre, which Wynne headed back for Eastall to clear. The Police fought back, and clever combination between Pile and Howarth forced Wood to come out to clear. The Police came straight back, and Wood brought off a grand save from Fraser.

After 15 minutes the Small Units broke away in convincing style, and Waterfield opened the scoring with a low cross shot. Encouraged by this success Small Units pressed heavily and Smith had hard luck with a drive which hit the side of the net with Eastall beaten. Fraser had hard luck with a drive which hit the upright and in the ensuing scrimmage, Police were awarded a penalty for hands, from which McGreavy equalised.

Half-time:—Small Units ..... 1 Police ..... 1

Play deteriorated in the second half and it was soon obvious that Small Units had shot their bolt. Only magnificent defensive work by Wood and Dodshon prevented Police from piling up a big score. Howarth and Shepherd both shot wildly from close range, while Wood earned applause for a superb full length save from Howarth.

The goalie repeated this feat from Fraser a moment later. Twenty minutes from the resumption Pile sent Howarth away with a fine pass, and the latter ran in to beat Wood from close range. From now on Police were continually on the attack, but their finishing was poor, and Small Units held out until five minutes from time, when Wood only partially saved a hot shot from Howarth, and Fraser had an

easy task to tap the ball into the net.

Result:—Police ..... 8 Small Units ..... 1

Police:—Estall; Brittain, Wynne; McGreavy, Hudson, Jessop; Pile, Howarth, Fraser, Shepherd, Cornwall.

Small Units:—Wood; Dodshon, Basham; McCausland, Skinner, Morgan; Jenkins, Lyons, Smith, Waterfield, Pepper.

Referee, Pipe Major Mackie, 2nd K.O.S.B.

QUEEN'S REG'T. v. CLUB DE RECREIO  
This match at King's Park attracted a great crowd and after a fine struggle the King's Park lads went down to the Queen's in a fine sporting struggle by 2 goals to nil.

Teams:—Queen's Regt.:—Dodds; Hooper, Sharpe, Byrne, Hill, Morris; Hibbert, Richardson, Caunter, Barclay, Caldecott.

Recreio:—Marques, Xavier, Sousa; C. Remedios, A. Remedios, Assumpcao; B. Gosano, Ward, A. Gosano, Rocha, Brown.

Referee:—L.S.B. A. Atkinson, R.N.

The match started amid general excitement as Recreio were the first to dash for goal but the Queen's defence was steady and Gosano was robbed on the line by Hooper. Marques made a great save from the Queen's forwards where Caldecott and Barclay were ever dangerous raiders but following heavy pressure Richardson curved one nicely past Marques. Queen's led at the interval by 1 goal to nil.

Rocha came near for Recreio with a fine drive and Gosano (A.) was striving hard for an opening but was carefully watched. Queen's increased their lead with a fine goal by Barclay and the Queen's supporters, who were in great force, greeted the goal with enthusiasm. Recreio played pluckily and Ward just missed and from a fine dash by Brown Gosano shot by the post with Dodds well beaten. The Queen's played strongly and maintained their lead and won a fine open game on their merits.

Comment  
Both teams were all out from the start and Queen's maintained their early promise by playing very strong football.

Caldecott and Barclay were ever dangerous and Richardson also required much watching. Hill played a strong game in a good half back line and watched the elusive Gosano well. Hooper and Dodds did well behind.

For Recreio Gosano, ever a trier, was very closely watched and Ward and Brown were very smart forward. C. Remedios was right back to form and Xavier kicked a fine length. Marques had little chance with the goals which were in the nature of Queen's specialities.

Division II  
SOUTH CHINA "B" v. SMALL UNITS (ARMY)  
The South China "B" team were at home to the Small Units on Caroline Hill. For the first ten minutes South China kept the ball in the Small Units half, and from a clearance the Small Units left wing broke away and forced a corner.

By being off side South China lost a good opening from a free kick. From the place kick the Small Units dashed away on the left, and Twelves passed to his centre, who tried a shot which was cleared. A return shot hit the crossbar, on to the inside of the upright and into the net.

South China set up an attack but the soldiers kept the ball in South China area.

South China got on level terms when given a free kick for a foul throw-in; Chan Sui-ping rushed between the backs and scored. The same player gave his side the lead when he ran through on his own.

The Small Units tried hard in the second half to level up, and towards the finish were pressing hotly but unsuccessfully, South China defence holding them to the end.

Result:—South China "B" .... 2 Small Units ..... 1

KOWLOON v. S. CHINA "A"  
This 2nd Division Game resulted in a fine fight and Kowloon seconds played a very good game and just deserved their win which was secured in the first half by bright football. The result was Kowloon 3, South China A 2.

Kowloon:—Angus; Nicholls, Hast, Brown, Easterbrook, Robson; Hannan, Davis, King, Waddington, Blacklock.

China A:—Chan So; Lau, Cheung; Lo, Fung; Chung; Chiu, Tin, Wang, Tam, Du.

Referee:—Sgt. Clark, R.A.

Kowloon kicked off and South China attacked but Hast relieved well and following pressure, Kow-

loon were awarded a penalty which King converted at the second attempt.

Blacklock scored a fine goal shortly afterwards with a nice low shot and although China pressed hard Angus and his backs relieved in good style. Kowloon were leading 2-0 at the interval.

Kowloon restarted smartly and although South China shuffled their team, the locals were superior and Hannan brought Kowloon's score up to three with a fast low shot. China retaliated smartly, and Tin scored a nice goal, and the inside right scored again with a swift low shot after a nice pass from Chan So. China pressed heavily but Kowloon were not leaving anything to chance and Angus saved well in the closing stages.

Comment  
Kowloon Reserves were very bright and Hast, Robson, Hannan, Waddington and Blacklock played very smart football. The locals were well balanced and their early lead upset their opponents, who, however, made a good fight. Chan So, Lau, Fung, Man-Kit, Tam Kong-pak, and Du Sze-chuen played good football for the losers who made a gallant struggle to save the game.

On the day's play Kowloon just deserved their win, the new men showing distinct promise.

K.O.S.B. RES. v. RECREIO  
This was a rather one-sided match—played at Sookumpoo, the K.O.S.B.'s winning by six goals to nil, scoring two in the first half and four in the second. Toal, who was at centre, played an excellent game and scored the first four goals, Greig, on the left wing, ably helping him with his usual well placed centres.

The Recreio team were not altogether "out of the picture," and made several good advances; but without finish.

The second half was mostly the K.O.S.B.'s. Hart, on the right wing, sent across the field for Toal to run through and score. His next goal was a solo effort. Crawley obtained the next, Greig on the right flying down the wing to the corner flag; and sending across for Crawley to shoot in. Recreio made a last effort but could not reduce the big lead of the K.O.S.B.'s.

Result:—K.O.S.B. .... 6 Recreio ..... 0

ST. JOSEPH'S v. EASTERN  
These teams met at Happy Valley on Saturday and a keen struggle resulted in a goalless draw. Eastern had rather more of the play throughout, but found the home defence in fine form, T. Leonard doing especially well to hold the speedy Labhan. The game never lacked interest in spite of the absence of goals.

At the outset each goal was visited in turn, with the home team showing slightly superior combination. A terrific drive from Labhan was splendidly fielded by Rocha, and at the other end Ward and Barrios both hit the post.

Eastern then pressed steadily and Labhan saw several of his centres wasted through the inside forwards hanging back.

Half-time: No score.

St. Joseph's went away with a rush in the second half, and Ram did well to keep his goal intact. Rumjahn eventually cleared with a strong kick and Eastern once more took up the attack, but the finishing of the inside forwards was weak. On one occasion Labhan lobbed the ball slowly across an open goal, but nobody was up to take advantage of the opening. Towards the close St. Joseph's made desperate efforts to secure the lead, but the visitors' defence held out, and the final whistle came with a blank score sheet.

Result:—St. Joseph's ..... 0 Eastern ..... 0

Teams:—St. Joseph's:—Rocha; T. Leonard, Hyder; Reed, Omar, Aycock; Castillo, Souza, D. Leonard, Ward, Barrios.

Eastern:—Ram; Mohammed, Rumjahn; Hussain, Cheung Yin-nam; Fung Yui-wai, T. Ali, Chan Yuk-cheung, Dallah, Haroon, Labhan.

CHINESE ATHLETIC v. R.A.F.  
Played on the Club ground at Happy Valley, this match resulted in a win for the Chinese by three goals to nil. The winners, however, were by no means three goals better than their opponents, and the score somewhat flatters them, for their shooting was erratic until the closing stages. Smart work by the inside forwards led to two goals in succession.

The Athletic took the lead after 10 minutes, the centre-forward heading a nice goal from a well-judged centre.

The "Armen" held their own throughout the first half, Gall-

her and Buckland both having hard luck with shots which missed by inches.

Half-time:—Chinese Athletic ..... 1 R.A.F. .... 0

Play was confined to midfield for some time in the second half, and both half back lines showed good advantage in defence, although their feeding of the forwards was far from accurate.

The R.A.F. went to pieces in the closing stages, and the Athletic seized the opportunity to make the issue safe by putting on two more goals, both of which were scored by their inside right.

Result:—Chinese Athletic ..... 3 R.A.F. .... 0

NAVY v. UNIVERSITY  
The Navy again fielded a strong side for their engagement with University at Happy Valley, and won comfortably by four goals to nil.

The losers put up a plucky fight, however, against their heavier opponents, and on several occasions were unlucky in not finding the net. The game was only a few minutes old when the sailors took the lead, Adams cutting in from the wing and finding the net with a cross shot. A melee in front of the University goal ended with a corner conceded, but this was cleared, and University broke away on the right, but could make little impression on the Naval defence. Shortly before the interval, Sorbie increased the lead for his side as the result of a fine solo effort.

Half-time:—Navy ..... 2 University ..... 0

The second half opened with a brief attack by the University, but they soon tired, and from then on the sailors had matters pretty much their own way. The University goalie prevented a much higher score. Jenks ran through and made an opening for Adams to register a third point, and Hemmett added a fourth after a speedy run down the left wing.

Result:—Navy ..... 4 University ..... 0

M.C.C. DRAW  
1ST MATCH v. WESTERN AUSTRALIA  
Perth, Saturday.

The first match of the M.C.C. tour in Australia played by the English team captained by A. P. F. Chapman ended in a draw. Scores: M.C.C.: 1st innings 406 runs (D. R. Jardine of Surrey made 109); 2nd innings 26 runs for no wicket.

Western Australia: 1st innings 267 runs.—Reuter.

The home side made the minimum to prevent being made to follow on (enforceable on a deficit of not less than 150 runs) and the M.C.C. batted a second time.

On the first day the visitors opened weakly. Four wickets were down for 105 runs.

Next to Jardine's contribution, the highest scorers in the M.C.C.'s 1st innings were Tyldesley, E. (Lancashire) 66, and Hendren who, when stumps were drawn at the close of play on the opening day, had 55 not out to his credit.

## COMMEMORATING SOMME BATTLES

### A GRANITE CROSS

UNVEILED YESTERDAY IN THE PRESENCE OF GUARDSMEN

WREATH FROM THE KING

London, Yesterday.

The granite cross which has been erected at Les Boeufs on the Somme in place of the wooden cross which was placed there after the big battle at Les Boeufs and Ginchy in September, 1916, was unveiled this morning in the presence of 130 officers and men of the Guards' Division.

Major-General Sir Geoffrey Fielding, who commanded the Guards' Division in the Somme battles, recalled the history of the fighting in this sector, emphasising the terrible nature of the battles owing to the gigantic defence works which the Germans had built up and told how no less than 230 officers and 7,000 guardsmen died.

At the conclusion of the unveiling ceremony, the Mayor of Ginchy accepted the memorial on behalf of his community.

Rev. Pat MacCormick, Rector of Saint Martins-in-the-Fields, London, blessed the memorial.

General Earl of Cavan laid a wreath on it on behalf of the King.

Other wreaths were deposited by Lieutenant-Colonel Latham, on behalf of the Prince of Wales, by Colonel Seymour for the Duke of Connaught and by officers of each of the Guards regiments.—British Wireless Service.

### LICENCE "LET"

CHINESE CRIPPLE WHO PREFERRED BEGGING

With heavy wooden crutches supporting him on each side as he stood in the dock a Chinese was this morning at the Kowloon Court, charged with begging and with being a nuisance generally. Defendant said that he had to beg because he could not work.

Sergeant Hargreaves said that defendant had time and again in the past few years, been sent away from the Colony for begging. But he had always returned, and lately the police had given him a free licence for a cigarette stall, from which he could make his living. Defendant had "let" his licence, and continued his profession as a beggar.

Defendant denied this. The magistrate (Mr. W. Schofield) remarking that he did not believe defendant's story, imposed a fine of \$5 with the alternative of 10 days' hard labour.

### SMART GIRL

FRIGHTENS FOUR BURGLARS OFF THE PREMISES

The intelligence and plucky act of a girl, living at No. 367, Queens-road West (first floor) saved the inmates of the house from being robbed by four miscreants.

At about 10.30 this morning, four robbers, under the pretence of delivering a letter for the landlord, gained admittance to the house.

They threatened the inmates, four women, four boys and two girls. During the time, a girl who was standing in the kitchen had noticed the robbers entering the house.

Quietly but cautiously, she slipped down the stairs which was very near to the kitchen and gave the alarm. Whistles were then blown by those who were living on the opposite building.

The robbers, scared, bolted, taking all they could with them.

A woman, carrying a child in her arms, was so frightened that she tried to jump into the street but was stopped by the hawkers below.

### "RECONSTRUCTION"

Nanking, Yesterday.

The National Government has invited Mr. Henry Ford, Mr. Owen Young of Daves Plan fame, Mr. R. M. Harper (the American banker), Professor Sellmann of Columbia University (the economist), and Professor Jeremiah Jenks (Professor of Economics of New York University), to become "honorary economic advisers" to assist the Government in its reconstruction schemes.—Reuter.

## THE ANGLO-FRENCH "COMPROMISE"

### THE DOCUMENTS

BRITISH COLLECTION TO BE LAID BEFORE COMMONS

AVAILABLE FOR PUBLICATION

London, Yesterday.

The British collection of documents dealing with the Anglo-French proposals for naval limitation will be laid in the House of Commons as a white paper on Monday afternoon and will then be available for publication.

A summary will be issued in the British Official Wireless on Monday evening.—British Wireless Service.

### NO CHANGE

"KWANGSE" POSITION AT PING ROCK

TAIKOO TUG PROCEEDING

No change has occurred in the position of the China Navigation Co.'s s.s. "Kwangse" which ran aground off Ping Rock, between Amoy and Foochow, on the south-

### MODERATE AND FINE

N. E. winds, moderate, fine, is the forecast till noon to-morrow. The anticyclone over China has weakened and extended north-eastward to the Sea of Japan. A typhoon or depression appears to be situated to the S. E. of Guam. Fresh to strong monsoon will prevail along the S. E. coast of China and over the North China Sea.

east coast of China, in Lat. 25.10.30 north, Long. 119.17.30 E.

H.M.S. "Bruce," leader of the 8th Destroyer Flotilla, was sent to stand by and is still there.

The China Navigation Co.'s "Chenan" and the "Chihkiang," both stood by and have proceeded, the former to Amoy, but the "Lianan" has also reached the distressed vessel and is keeping her company.

With Mr. C. S. Cameron, of Tai-koo Dock in charge, the Tai-koo tug has already left Hong Kong with salvage gear and men.

However, bad weather is being experienced in the position indicated and operations may be hampered for a while.

Built at Greenock in 1898, the "Kwangse's" dimensions are—1,985 tons gross, 1,228 tons net, length 275.2 feet, beam 38.2 feet, depth 21.4 feet. She seldom calls here.

### FOOLISH "PLAY"

CHINESE YOUTH WHO WAS BADLY BURNED

BEFORE MAGISTRATE

With his leg bandaged, a poor youth was brought into Mr. R. E. Lindell's Court this morning in the arms of an Indian constable. This was a sequel to the case in which a youth was burned on the leg with kerosene poured on it.

In answer to the charge of having "played the trick," the defendant who is also a youth, admitted that he had done so on this occasion. He maintained, however, that the defendant had burned him first.

The complainant, Chow Mui, (18) stated that he lived at No. 19, Shing On-street, Saiwanho and defendant was his fellow worker in the Tai-koo Dock.

On the night of Sept. 14, witness continued, he was asleep and was aroused by the burning of his right leg. On awakening, he found that there was some lighted Chinese medicine herbs wrapped round his ankle, and the stuff was burning fiercely.

It was about 3 a.m. at the time and witness was sleeping in Tai Sek-street with the defendant and one other man. The other man was at that time fast asleep, while the defendant was sitting by watching. Witness was at the time in great pain and tried to tramp his foot on the ground in the hope of putting out the fire but this was of no avail.

In answer to the Magistrate, complainant admitted that he had "played tricks" on the defendant. The case was adjourned for a week.

## GERMAN POLITICAL SURPRISE

### "A TRIUMPH"

EXTREMISTS ELECT HUGENBERG HEAD OF NATIONALISTS

BEHIND THE "STEEL HELMETS"

Berlin, Yesterday.

Extremists scored a triumph yesterday when Herr Hugenberg, the owner of the newspaper "Lokalanzeiger" was elected to the chairmanship of the National People's Party in succession to Count Westarp.

The election is bound to cause increased tension in the country's internal political situation.

Herr Hugenberg, who is the man behind the Nationalist "Steel helmet" organisation, may be regarded as the leader of the Fascist movement in Germany. He is a bitter opponent of the Republic and the policy and understanding with France, also the Locarno Agreement and the Versailles Treaty. It remains, however, to be seen whether the 5,000,000 Germans who voted for the National Party at the last Reichstag Election, will back up Hugenberg's policy. Meanwhile, it is announced that ex-Chancellor Marx intends to resign the chairmanship of the Centre Party in December owing to the state of his health.—Reuter.

### SALT LOANS

GROUP BANKS OPPOSE SCHEME

Peking, Yesterday.

It is learned that the Ministers of the interested Powers are meeting to-morrow to discuss the Salt situation, which is still giving rise to anxiety.

The Nanking Government recently announced a scheme under which all Salt producing districts are required to make monthly contributions, in accordance with a special quota laid down, to make up a total sum annually of \$10,000,000 from all, which it is said will be sufficient to pay for all loans secured on the Salt revenue, with the exception of the Re-organisation Loan.

The districts quotas were ordered to be paid into banks designated by the Minister of Finance.

It is understood that the heads of the Group Banks are still strenuously opposing the National Government's proposals regarding loans secured on the Salt Gabelle.—Reuter.

### COLLAPSE

BUILDING CONTRACTOR AND FOREMAN ARRESTED

Paris, Saturday.

The death roll as the result of the building collapse at Vincennes totals 13. All hope has been abandoned of rescuing the eight still buried. The contractor and foreman have been arrested.—Reuter.

### DUTCH AIR MAIL

FIFTH PLANE WELL ON ITS WAY

Bunder Abbas, Yesterday.

The fifth Dutch mail plane arrived yesterday at noon and resumed its journey this morning.—Reuter.

### THEFT

CHINESE WOMAN BEFORE THE MAGISTRATE

That she was forced by circumstances to commit a theft was the excuse offered by a Chinese woman at the Kowloon Magistrate's court this morning, when she was charged, before Mr. W. Schofield, with the theft of clothing and jewellery valued at \$113.50 from No. 17, Austin-road, Yau-mat.

The magistrate, remarking that it was evidently her first offence, said that he would give her the option of a fine, and sentenced her to a fine of \$50 or one month's hard labour.

### \$15,000 FINE

The "boy" of the chief officer of the s.s. "Tai Ming" was this morning fined \$15,000 by Mr. R. E. Lindell for smuggling 200 taels of opium. Mr. W. D. Owen appeared for the defence.
